

THE FALL 2024 ARCHITECTURE PROGRAM PLANNING LIST

PRELIMINARY LIST 4.3.24

Below, you'll find the fall 2024 courses that satisfy the requirements for the architecture majors and the architecture minor. Please consult the 'Distribution' column, along with our notes below, to determine which specific requirement(s) each course fulfills. For the most up-to-date course information, please refer to The Directory of Classes. To view previous versions of our program planning lists, please visit our website.

The courses listed below may fulfill a number of different distribution requirements for the majors and minor. Below are some notes on how different courses may be used:

- All non-studio (Architecture History/Theory) courses can be used as an Architectural Elective (ELEC)
- Senior Courses include the following courses taken during the senior year: 1) A second Senior Seminar in the department; 2) Advanced Architectural Research & Design; 3) A 4-pt Independent Study, with the approval of your adviser and the chair; 5) A 4000-level seminar offered by our department; or 4) A course offered by GSAPP or elsewhere on campus that is designated as a Senior Course by the Architecture Department.
- Only senior architecture majors graduating within two semesters are eligible for Senior Seminars.

Other notations for distribution designations include:

- Studio: (STUDIO)
- 'Lectures, Seminars, & Workshops' designations: History (HIST); Society, Environment, and the Global (SEG); Design, Media, and Technology (DMT); Architectural Elective (ELEC)
- Senior Seminar: (SR SEM)
- Courses that are eligible to count as an elective Senior Course: (SR COURSE)
