Senior Graduation Requirements

ALL H+T ARCH MAJORS ARE REQUIRED TO WRITE A THESIS IN THEIR SENIOR YEAR. THERE ARE TWO OPTIONS FOR FULFILLING THIS REQUIREMENT: STUDENTS MAY ENROLL IN ARCH UN3998 FOR A FULL YEAR AND WRITE A YEAR-LONG THESIS, OR ENROLL IN ARCH UN3998 FOR ONE SEMESTER AND WRITE A ONE-SEMESTER THESIS. PLEASE CONSULT WITH YOUR MAJOR ADVISER FOR MORE INFORMATION.

- NOTES:**
- No courses under 3 points may be used to fulfill any of the major requirements
 - No courses with a grade of D or lower may be counted in the major
 - If you are considering graduate school in architecture, we recommend taking a year of calculus and physics
 - Architecture majors should meet with their advisers every semester to review their course selection and progress in the major
