

## THE SPRING 2023 LIST OF GSAPP COURSES OPEN FOR CROSS-REGISTRATION

Each semester, all GSAPP courses that are open to non-GSAPP students are published on the [GSAPP website](#). We have transcribed that list below and added our notes about how each course can be used to satisfy the B+C|A majors and minor requirements.

### The four classes below are open to all Columbia/Barnard students to register online for an instructor-managed waitlist.
