JUNIOR YEAR 2018-2019

	FALL	SPRING	NOTES:
1	Architectural Design 1 (offered fall only)	Architectural Design 2 (offered spring only)	Design 1 is a pre-requisite for Design 2; Abstraction and Perception are both prerequisites for Design 1.
2	Architectural History/Theory Course 4 (post-1750 elective)	Architectural History/Theory Course 5 (elective)	
3	Cluster 1	Cluster 2	The Cluster is a group of 3 courses that relate to a single interest or theme that is relevant to architecture. These courses may be taken in any department and at any time. An example of a cluster theme is "New York City" (one course from Political Science; one from Sociology; and one from History). Students are required to consult with their adviser before they determine their Cluster theme and courses should be selected with your adviser's approval.
